With Microsoft 365 Business Premium, you can work in a whole new way that's flexible, efficient, and secure. Whether you're working from the office, home, or on the go, Microsoft 365 Business Premium provides you with the tools you need to succeed.

Get AI-ready with Microsoft 365 Business Premium

Are you ready to transform how you work? Microsoft 365 Copilot is coming, and it can help you unleash creativity, unlock productivity, and uplevel skills. You'll gain efficiencies by automating common tasks like scheduling meetings, taking notes, and more. Get AI-ready with Microsoft 365 Business Premium.

Build a Zero-Trust foundation

- **Keep your data safe from unauthorized access** when passwords are lost or stolen with multi-factor authentication.
- **Defend against advanced cyberthreats and safeguard business data** with enterprise-grade protection against phishing, ransomware, and data loss.

Simplify endpoint management

- Easily **enable remote desktop** access for employees on any device, while you **maintain central management** and security of your users' desktops.
- **Control which devices and users can access your work data** with options to block users from logging in from home computers, un-approved apps, or outside of work hours.

Unleash intelligent productivity

- Save money and do more with less by **consolidating vendors** and hybrid work apps into one platform.
- **Get AI-ready** and build your foundation for the next generation of AI with Microsoft 365 Business Premium. Available in the coming months, Microsoft 365 Copilot will unleash creativity, unlock productivity, and uplevel skills.
